To the Holders of

First Mortgage Six Per Cent. Five Year Gold Notes of

Chalmers Motor Company

The undersigned have been requested by the holders of a very substantial amount of the above described issue of notes, to act as a Committee to represent the same, it being deemed that by united effort a situation can be created whereby the more favorable and equitable terms to which the notes are entitled, can be secured under the Plan of Readjustment of Maxwell Motor Company, Inc., and Chalmers Motor Corporation, dated August 30, 1919, or the notes be otherwise safeguarded and protected.

The Committee appreciates that in the absence of any default and relying upon the lien of the First Mortgage under which the notes are issued, there may be a disinclination on the part of some to deposit their notes under a Deposit Agreement. It has been concluded, however, that concerted action is not only desirable but necessary and the co-operation of all holders is confidently anticipated.

The Deposit Agreement will provide that no commitment in the premises can be made by the Com-mittee except after submission to depositors and favorable action thereon by holders of two-thirds in principal amount of the deposited notes, that no depositor will be personally liable for any obligation of the Committee, and that the notes will be charge-able only with the actual outlays of the Committee incurred in their protection, in no eyent to exceed 1% of their face value.

The Deposit Agreement is in preparation and in due course copies may be had upon application to the Secretary of the Committee. Those who desire to avail of the benefits of the Deposit Agreement and co-operate with the undersigned should ON OR BEFORE JUNE 25, 1920, deposit their notes with October 1, 1920, and all subsequent coupons attached with THE NEW YORK TRUST COMPANY, 26 Broad Street, New York, which, as Depositary under the Deposit Agreement, will issue appropriate certificates of deposit therefor.
